“ George was always a shining light with everyone that he spoke with. We enjoyed our time with him at the morning mall walks. He was an inspiration whether we were talking about the scriptures, politics, racing, or one of his jokes. He touched so many people throughout this life and only the Lord knows the results of George's influence. He will be missed by many. /s/ Ken and Lana Day

“ I will miss you Uncle George. I remember when we were younger, we would all meet in Watseka for the summer at Grandma's and all of you would sit on the porch with your instruments playing gospel music and singing into the night. Miss those times.
