“ Georgia is such a beautiful soul who loved and enfolded everyone into her tribe with such grace. I have such fond memories growing up with Georgia Waterford's sweet hospitality. Steve went to Vietnam around 1969 and she kept a smile on her graceful face. She became influential in my impressionable years and I'm looking forward to seeing her again when it's my turn. Love and respect to an awesome lady.

“ I was blessed to know Georgia the last 11 years. We shared together three grandchildren and great grandchildren: Allie Bea, Henry, and Sammy. Georgia was a wonderful role model. She was patient, kind, gentle, and genuinely interested in those around here. Georgia could rock and calm babies like no one else. Georgia B. you will be missed. "Well done good and faithful servant! “ *In high school when my family was a mess, Steve went to Vietnam, but Georgia always wanted me to come visit. It wasn't like her hands weren't full otherwise. She just wanted to make sure everyone was loved. RIP, Georgia. Your house in Dellsville, every time I drive by, will always be in my memories, my second home.*
