“ We will always remember him with love and Joy. Oh how we'll miss the stories from the days the brothers were young. We had so much joy and laughter when we came to visit.

“ Gib will be missed by many he brought so much fun and joy to the people around him while at the same time he could scare the hell out of people with a look. We had a lot of fun at car shows and other things we done. One thing I will never forget is the time we was stuck in the barn with a VERY LARGE BULL on the other side of the door that would not let us out. There are things he showed me that I will never forget. He will be missed by everyone . Just think if the story's being told up there with gib and dad . Barb; Theron; and family i am sorry for your loss.
