

## Ginger Gayle Galloway

June 14, 1952 - October 30, 2022

Ginger Gayle Galloway, age 70, of Spencer, IN left this world on October 30, 2022, and entered into eternity where she was welcomed home by her mom and dad and great friend, Dick Dyar. What a glorious reunion it must have been.

Born June 14, 1952, in Bloomington, she was the daughter of the late Robert Wayne and Doris Jean (Litten) Galloway.

Ginger graduated from Spencer High School with the Class of 1970. She worked as a Gatekeeper at McCormick's Creek State Park and was a former Golf Pro owned and operated G3 Pro Shop and Driving Range in Bloomington. She competed in several mini-LPGA tours in California, and became great friends with LPGA Hall of Fame Golfer, Amy Alcott. As an avid golfer, and golf pro, she gave lessons to many over the years.

Ginger also enjoyed camping, boating, and the great outdoors. She loved her "fur baby", Pixie. Her greatest joy was spending time and being involved with her nieces and nephew. She was also a member of the Spencer First Christian Church.

The family gives a special thanks to cousin, Karen Noel, who was there for Ginger during her illness and time of need.

Ginger had a beautiful spirit, giving heart, and a contagious smile that will be missed by her family and many friends.

Ginger is survived by her sister, Lynn (Richard) Kuruzovich; nephew, Kyle (Shailyn) Pace; two nieces, Casey Pace and Courtney (Bryan) Buehler; three great-nieces, Haley and Hannah Justis and Ryley Buehler and a great-nephew, Coleson Buehler.

A Celebration of Life will be held from 2:00 p.m. to 5:00 p.m. on Sunday, November 13, 2022 at McCormick's Creek State Park – Dinner Hall, at Camp NaWaKwa, 250 McCormick Creek Park Road, Spencer, IN 47460. In lieu of flowers, memorial contributions may be made to Ginger's family, in care of Lynn Kuruzovich, to offset funeral expenses.

“Ginger was great. She was such a good friend to my dad, and they cared so much about each other. She helped my daughters with their golf game a ew times which made them so much better. Plus, I am not sure I have ever known someone who was as friendly as Ginger. My family will truely miss her.

“ The memories of Ginger and her family are woven into my past from the time I was a little girl when we lived across the street from the Galloways. I can remember Ginger as the kind, caring, generous, funny teenager that always made time to stop and tell me, a little girl "hi," as she raced to her next activity. I can remember her swimming with me in their pool, taking me places in her car, and getting to meet all of her pretty friends. How special she made me feel. When she opened the driving range, my parents would help hers and I would tag along sometimes too. It was almost like knowing a celebrity. Ginger was a great friend to all and despite not being in touch very often until the last year or so, we shared lots of memories of our moms together and their antics. I still can't believe she's gone, but, am so happy she is out of her pain and now home with Momma Doe and Daddy Bob and all of the others she loved. Love you Ginner and Baby Lice.

“ Memories of high school are filled with Ginger. She, my sister Julie and I were together a lot. Ginger stayed at our home, we stayed over at hers for many years. Ginger was always, always laughing, smiling and on the move. I loved watching her play golf, basketball and just running. She made it look effortless. She enriched our lives so much, and made friendship glorious. She's left a hole in our hearts. We miss her so much, but rejoice that she no longer suffers.

“ *Many years ago I went to Ginger for golf lessons. Let's face i - I was lousy, but she was patient, kind, encouraging. So I continued, with her constant encouragement. Ginger, for all the other times we talked and laughed, I thank you. You were a wonderful person, and I was lucky to know you. RIP.*
