“ *She told me the secret of her long life was taking a walk everyday. It was great advice and I will always remember her for that and her kindness.*

“ *My sincere condolences to all the Grubb family. Gladys was my friend and neighbor many years. She was greatly missed when she moved from Sanders. After she moved, I would get to talk with her occasionally when I was working and she was a volunteer at the hospital. My thoughts and prayers are with you all.*
