“ I just learned of Glenda’s passing and want to send my deepest sympathy to all of you who loved her. I recently re-read a card that your Mom wrote to me after my sister passed away (11 yrs ago) and it brought back so many memories of growing up in Clayton and the many days that I spent at the McAvoy farm. I remember Glenda’s smile, her laugh and her kindness in putting up with ‘the kids down the road.’ You all were such an important and memorable part of my young life. Sisters are special and their passing touches us deeply and in so many ways—and there remains a lingering sadness. I am sending my heartfelt prayers that you will find comfort and peace.
Love to you all,

“ Heart felt condolences to all who knew Glenda. Years ago she was an avid supporter and volunteer of My Sister's Closet. She was a hard worker and was very appreciated for everything she did selflessly for others. Loved to see her smiling face when going to the theater, where she helped out as an usher all over town. -

“ My memory of Glenda is very strong. We shared so many laughs when we had lunch often at McDonald's. Also our warm and intense relationship at Alanon over the years. I am so sorry to hear of her passing. I did not know she was ill and would have been at her side those last years. Rex, please accept my deepest sympathy for your loss of a wonderful friend and helpmate.
