with her gift of sewing, quilting, knitting and embroidery. She was Bill's den mother for Cub Scouts and enjoyed baking bread and pies. For 10 years she worked for Weight Watchers. Her passion for animals and classical music were important gifts to her family.

Gloria loved to travel, especially on cruise ships. At the age of 8 she went with her family on a two month cruise to Northern Europe, which included a visit her father's family in Denmark. In 1964 she took a ship with her father to Hawaii, shortly before he died. She and David went on a Classical Music Cruise on the QE II through the Panama Canal, and with Dr. Paul L Maier to Italy, Greece and France. She enjoyed her annual cruises with her daughter and son to the Caribbean.

“ I had the pleasure of working with Gloria at Weight Watchers several years ago. We had many good times together & I missed her when I left the office where I worked. I hope this will help to comfort the family. I'm sure Gloria would say to us :

*"Weep not for me for my Father calls, from a far and distant shore,
Where Angels sing by a golden fate and bodies pain no more.
Remember me not with a mournful sigh, a grief bowed head, a
tearful eye,
Lift up your head ! Rejoice with me ! I stand on the shore of a
golden sea,
I see at last my Saviors face; I feel the warmth of His love and
grace,
I'm home at last in this wonderful place."*
