“ My condolences to the family. Dick and Gloria were my volunteers at Sr Health Services at Bloomington Hospital for many years. I always enjoyed those days when we would go out to lunch or just enjoy folding newsletters for a couple of hours while talking. Sweet memories of them I will treasure.

“ Phillip and family: Dick, Gloria, and their sons were a piece of my family as I was growing up. I always looked forward to the opportunity to visit and play with my nieces and nephews. Dick and Gloria helped finance my college and Gloria ran me around Bloomington to find books I needed for summer reading. In October 1977, Sue and I were in a serious car wreck. Dick, Gloria and Dale were always at the hospital to check on us. Of course my most enduring memory is the love and care they gave Jarrod for 30 years. We are sorry for your loss. Jim and Sue Scott
