Terri, when we were young she always had her hair poofed up and styled and makeup on and I always thought just like my mom and grandma 😊. May her soul rest in peace ☐*

“ First of all, I would like to send my condolences to Trudy's family. I met Trudy in 1980 when I started a new job working with Terri, her daughter. In 1983 she arranged my flowers for my wedding and made sure things ran smoothly, as they did. She lived a long, good life and will be missed by all. - Joyce Kelly
