“ I am honored to have called Grace my friend. We met while I worked at Southern Indiana Radiological. She became one of us and was truly missed by all when she was unable to continue as our cleaning lady. She was a beautiful person.

“ I am so sorry for your loss. Grace was a big part of our office for many years. We all loved her. She was funny and kind and...energetic! I do not know how she managed to do what she did! She was amazing. She loved to talk about her family, always with love and pride. She was a great lady and she will be missed by all of us.
