“ Cindy, Pam, Family and friends- Please accept our thoughts and our prayers for comfort in this time of remembrance. I have fond memories from childhood of my "Aunt Grace". Her warm, loving personality always made her a cheerful person to be around. It was so good to see her again just recently. She was a great woman with a glowing spirit. This is how she will be remembered. She will be missed.

Peace Be With You,

“ To Grace's family,
I am a teller at the IU Credit Union and wanted you to know that Grace brightened my day every time she came in the door. We had such nice conversations about flowers and gardening! I often thought that we should have lunch together and I deeply regret that I never followed through on that. I will miss seeing and talking with her. I am so sorry.

“ Cindy and Pam,
Words can't express the love I feel for your Mom after all these years. She was a loving, caring person inside and out. I'll never forget the hours she spent with my Mom when her health was declining. Your Mom was every bit a hospice nurse to her, listening to her fears and worries, taking food over for Mom and Dad, and sharing her faith of Christ when my Mom got to be a little fearful at the end. I know your Mom was Mom to many different people and we all feel blessed because we were loved by her! Now she is home with her beloved Rol, and all her friends and family who have gone before her.....what a glorious reunion! With all my love, Kelly Sakrison
