“ Greg and Mary are shining examples of kind people who always thought of others, especially those of us who need a helping hand. Today, an internet search brought me the news of Greg's passing. Mary... Please know that I think of you and Greg and the fun times we had in Hammond. Although you have many friends, I'm here if you need another friend who cares about you. Kathy Davis

“ What a cool dude was he, Greg Hill. He always made people feel welcome and would seek out the lonely person and let them know they were part of the club, family or pub family. Bloomington lost one of its finest.

*Can't wait to see you again one day Greg.*

*With your loving heart, I feel I know I will in heaven, see you again.*

“ Greg was the brother I always wanted and never had - till I met him. We met in the first days of Players Pub through our friend Tim H., I think it was. I remember Greg allowed my son, James, to play his trumpet with Carlyn Lindsey & Snakedoctor even though he wasn't yet 21. Greg was stern with him, "you're either on the stage or you need to leave." No ifs, ands, or buts about it! James learned at an early age to respect the man! (Chuckle) James played again with CL & Snakedoctor and Michael Kelsey the night he turned 21. Greg knew how grateful I was for the opportunities he gave my son. And what a tribute to Greg and Players Pub that a young man turning 21 years of age would choose to spend it there with mom and friends and nowhere else! I got to know Greg even better when I did an ethnographic study on the Pub for an Anthro class. Through interviews and observations over several months' time, I got insights into Greg's character and his ethics, and I understood then why the Pub was such a special place. He held himself to high standards, inspiring us to be better versions of ourselves. He was generous in spirit and service. I'm thankful to have had conversations and pictures with Greg the evenings prior to his passing. He will always be remembered by James and me. A very special man who created a very special community. Let's keep Greg's vision and legacy alive.

“ We met Greg through our daughter and son-in-law, Madelyn Ritrosky-Winslow and Charles Winslow who live in Bloomington. He was a thoughtful and caring person. Death leaves a heartache no one can heal: Love leaves a memory no one can steal.

“ On behalf of The Moondoggers, our condolences to friends and family. Our group has made an annual run to the Hoosier Motorcycle Memorial, and we called to see if Greg would open early for our group. He did so and we discovered a he was a Region Rat like us, some of the guys knew him from High School. From then on, our run highlight was always the great music, food and attitudes at Players. We will miss you bro.

“ We were saddened by Greg's passing. One of the reasons Carla and I enjoyed visiting Players Pub was the friendly atmosphere Greg had created. Oftentimes, he would sit at our table just to find out how we were. That meant a lot. We were very much impressed by his outgoing spirit and willingness to host benefits for the organizations in Bloomington that help those needing food, clothing and shelter. Our thoughts and prayers are with you. May God Bless You. Tom & Carla Hedges

“ Marcia introduced me to Greg when she managed the pub, since then he has proved to be a dear friend, we shared a love for the Healing Arts as well as my brother, who became his right hand man in property improvements. Greg put his heart into creating a unique community of music lovers and provided them an incredible place to enjoy the comraderie of good fun. His vision of "creating a place of healing" took deep root in Bloomington under his watch. Many great people would gather there to enjoy quality music and friends. Greg Hill was a friend to many. Many will be astonished that he has moved on, but all will see the evidence of the wonderful lasting things Greg said or did. Thank You Greg, healing hugs to all.

“ *Dear Hill Family,  
  
I knew Greg briefly during my stay at Jill's House in 2008. He created a unique environment for musicians and music lovers. Visiting Player's Pub on a number of occasions was one of the highlights of my stay in Bloomington. I will always remember Greg and the way he presided over his wonderful pub to make sure that customers and musicians had a great musical and dining experience. I hope somebody carries on the tradition for him to keep his memory alive.*

“ Greg you'll remain in our hearts as an example of how to make the world better in each of our little parts of it!  
Thanks for the gifts of music, fellowship, foods, drinks, massage and healing you have given to the world.  
I was a Prostrate Cancer patient being treated in Bloomington, Indiana at the Indiana University's Midwest Proton Radiotherapy Institute for 5 days a week for 9 weeks and met you through my saxophone player Don (of the patient music group The Protons who played at Jill's House non-profit housing for cancer patients and their families) who told us about your club and we went and played on Musician Jam Night. We met and talked and you and Julie Birkett offered my wife Valerie and I and any other cancer treatment patients free Massage and Reiki treatments. It relieved the stress and help me heal (I'm now 3 years cancer free)and my wife with her stress too. We also thank you for doing Player's Pub night fundraisers for Jill's House the Bloomington,Indiana non-profit housing for cancer patients and families being treated with Indiana University's Proton Therapy program which allows them to eliminate the cancer tumors without any damage or side effects on healthy tissues and organs surrounding it.  
Greg you were a blessing to us and the world, we love and miss you!

“ Only knew Greg for a short time. My son Zakk Knight an up and coming Blues guitarist became an example of Greg's generosity. Players Pub was The Zakk Knight's Bands' first gig... which lead to several wonderful nights playing the Pub. Zakk is hurt and confused as to why...he will always appreciate the big guy for giving him the honor of playing at his Pub.

Zakk will go far, everyone deserves a chance and Greg gave him that chance. Zakk is sad and will always remember Greg as a mentor and a incredibly good person.

We Know You Are Listening Greg  
Zakk will play for you.
