

## Gregory Hutton

February 3, 1952 - December 5, 2020

Gregory Hutton, 68, passed away December 5, 2020, at his home in Bloomington, Indiana, surrounded by his family.

He was born February 3, 1952, in Indianapolis, Indiana, to Keith and Martha Hutton.

Greg Hutton was a good man. He had a strong sense of right and wrong, and believed in always being honest and doing the right thing. He enjoyed chatting with people and believed in extending kindness to others, no matter how brief the interaction. But more than anything, he loved his family. His wife and children were the center of his universe, and he always made sure they knew it. Greg enjoyed taking care of his property, watching NASCAR, and cheering on the Indiana Hoosiers basketball team. Earlier in his life he was an accomplished amateur bowler, bowling four perfect 300 games and a 299. He was delighted each December when children would mistake him for Santa Claus because of his long white beard. Greg had no interest in travel, believing he had everything he needed at home: a family he loved, property that he was proud of, great neighbors, and his beloved dog Girlie. He will be deeply missed.

Greg is survived by his wife of 44 years, Carol; son Christopher and daughter Rebecca; three brothers and their spouses, Steve (Pam), Jeff (Margie), and

Doug (Karen); four grandchildren, David, Ashley (Ed), Kyle (Keaira), and Alivia; and nine-great grandchildren, and several nieces and nephews.

The family would like to extend special thanks to the Thacker Road Hood, family members, and dear friends who went out of their way to provide support, assistance, and encouragement to the Huttons during recent months.

At his request, no service will be held.

In lieu of flowers, donations may be made to:

“ *I am so sorry for this very sad loss. I remember Mr. Hutton as a tremendously caring parent, and I know that Rebecca is the amazing woman she is because that is true, and because her parents were both special people. My deep condolences to all of you in the family. May warm memories wrap themselves around you and bring some comfort at this difficult time.*

“ We will miss him so much...even though he was our nephew..him and his uncle Mike who is only 2 years older were like best friends or brothers...they had so much in common.. When we were younger him and the family would come to St Louis to play in baseball tournaments....we would meet up in Cincinnati for bowling tournaments....went to many races.....we had so much fun together....I will always be there for my niece Carol...who is more like a sister to me....Until we meet again Greg....we love you❤️❤️
