“ *So sorry for your loss. I want to take this opportunity to tell you what an incredible son you have. He was my son's nurse after he had his transplant, one on one in SICU. I have never seen a nurse so dedicated to doing it RIGHT! And I know nurses, I am one. Barry remembered you from we were friends of the Aynes family. Unfortunatly we lost him after 9 months but we will never forget the care he got from Brett. You done good.*

“ Don, Charlie, and Bret:

*I am thinking of you in your loss. She was a great lady and I really enjoyed working with her all those years. I will be with you in spirit at her services but cannot be there in person since I now live in Texas. I have notified all the people who worked with her at the Center on Aging and Aged who no longer live in Bloomington.*
