“ Dear Sandra, Gary and extended family,
Please accept my sincere condolences on the passing of your mother/grandmother.
I have fond memories of Gwen, and of her spunk and wit. I'll miss our lunch dates and all the laughs and good times we shared. I'm glad that she's not suffering in a body that no longer worked as it once did, and that she's having sweet reunions with loved ones on the other side.
May fond memories and knowledge of the The Plan comfort you and your family in the future.
It was a blessing to be a small part her life. I will miss her, till we meet again.
Much love, Deana

“ I was sorry to hear about the death of Sandra's mother. My wife and I met Gwen only once but liked her immediately. She seemed like a very genuine and caring person.

God bless you all in your time of grief.
