“ *There is not a grieving message that can express how much my brother-in-law meant to me. He was a great mentor and counselor to many and will certainly be missed by all who knew him.*

Until we meet again...

I love you, Rock!

“ *Dearest Pam and family, so sorry for your lose. You and Rockie have always had a special place in our hearts! I tried to find you guys a few years ago with no luck. It was so special when you came and visited us in Houston. You surely were a God sent for some homesick kids. Until we meet again, may God bless you and yours, Barb and Doug Poush*
