“ I just found this today when my Christmas card to her was returned. My sincerest condolences to her family. She was my momma's roommate at Stephens College and I will never forget when she came to visit us in Buchanan with the largest gingerbread man cookie I'd ever seen. She was a wonderful person and I was truly hoping to get to Bloomington to visit her. I'm so very sorry. My heart is broken.

“ Rest In Peace my Dear Old Friend. I miss those days when you were my neighbor on Maxwell Lane and our weekly Road trips to the auctions and antique malls. We had so much fun. Always in my heart, Jodie. Love, Linda

“ Jodi was a treasured friend, & my boss, and I will miss our lunch's at least once a year in Brown County since I left that position in 1978. I worked for her in the Alumni Office and I respected her as well as the great friendship we had. Every morning before Jodi came in to the office, I would wash her coffee cup so she would have a fresh cup to drink out of. After I left that job, she said she really missed her clean coffee cup!! LOL
Rest in peace my friend...your forever friend, Diana Stanger
