“ Both Bill Fielder and Ruth Fielder (Shankland) want to send our condolences to Leonard and the rest of the family about the death of Aunt Hattie. We remember her with great fondness. I remember the good days that I went there with my mom and dad. She almost always baked a chocolate cream pie if she knew that we were coming out to Grandma's and Grandpa's. Man, was it great. Again. my condolences particularly for Leonard and his family.
