“ *My thoughts and prayers are with all her family who she always talked about with love. I worked with Jean for years at the IU switchboard, she was one special lady. Jean trained me from day one, she was a great teacher since I worked there 33 years until retirement in December 09. She could make you laugh when you did not want to and that is a special gift. She will be remembered by thoes who knew and loved her her.*

“ *Jean was a fine lady, wife, mother and grandmother. I worked with her at the IU Switchboard until she retired. She was a fun lady to work with, and she enjoyed talking about her family.I know that she will be missed. I want the family to know that my thoughts and prayers are with them at this time. Let them be comforted to know that others are thinking and praying for them. She will always be in my heart.*

“ *I can remember when Hazel Jean was waiting for the school bus in front of the farm. I also remember how excited she was when she got her job at RCA and could buy a new pair of jeans.*

I admired her spirit and courage as she went through life. She will be missed.

“ Fred and Jackie Sue, my prayers and thoughts are with you and your family during this time.

Your mother always looked to me like Rita Hayworth...she was beautiful on the inside too.

I am so sorry for your loss.
