“ I just wanted to express my concern for your recent loss. Really it is
everyone's loss when we lose a person who has lived a long rich life
and had such an impact on her family and the community. We can
certainly look forward to the day when the effects of death will be no
more (Rev. 21:3,4)we can welcome our loved ones back to a
beautiful paradise earth (Psalm 37:10,11,29). Our thought are with
you.
