“Holly and I were best friends in the 7th and 8th grade at Dyer Junior High School. She was a great friend and we shared many happy times as young adolescent girls. I especially remember Holly being a GREAT friend and someone to confide in. Holly was always well liked by her classmates and teachers. At the time she was my rock as she offered me lots of emotional support. Holly was smart and could do anything she set her mind to do.. We didn't stay in touch over the years, but I've always considered her someone special. I am sorry to hear of her passing. Many fond memories.
