“ *Peg and Carthell,*

A beautiful light has gone out in our world, but I know your mother is shining bright on another plane. What a giving spirit she was to Casey and me. She and Price were always so good to us and we still have pictures of all the pumpkins they gave Casey out of their garden that he and Gary carved for Halloween every year.

She will be missed by many, many people. Sorry we couldn't be at the grave side service.

In sympathy,

Becky (Snedegar) Spivey and Casey Snedegar

“ *Peggy, What a sweet mother you have. I always loved to visit her and she looked forward to the Smithville Christian Church stopping by at Christmas time. We had lots of good visits at the Smithville Labor Day celebration. I know you will miss her. The joy is that she is with Jesus and some day you will see her again. We have God's promise on that. God bless you! Don Hensley*
