“ My deepest condolences to Lois and the Carmichael family. One of my fondest memories of Ivan was seeing him watching his little TV in the garage door opening at night when we would drive by. I always saw him sitting in his lawn chair with the glow of the TV shining.

“ Uncle Ivan and Aunt Lois used to make trips to Tucson Az to visit us (their SW kin). I always enjoyed seeing them both, and though he usually didn't get a word in edgewise with us gabby girls, I always knew he was listening, as he sat there with that sly smile. My Uncle Ivan was a handsome and smart man. He will be missed by those that knew him. Love and sympathy goes out to my Aunt Lois, my cousins, and the rest of the family.
