“ *Not just my Papaw, but my friend. I cannot even begin to express how much I already miss you. Your funny stories, your laugh, the deep voice you used to try to play with Kamryn that scared the bejeezes out of her when she was little, your smile, everything. Please give my Dad a hug up there and know that we will always love you and never forget you. I just can't believe you're gone. Rest in Heaven, Papaw.*
