“ I want to thank the special people who commented here.

Hope, you were his life saver by doing the little thing as small as putting his paper on his door step. He really appreciated this act.

Joyce, Thank you for your kind words.

Debbie, Hopefully I will see you soon.

Thanks again to all of you.

*Sincerely,
Nedra*

“ My heart goes out to you in your loss. I worked with Jack at Star Stone (I was in the office) for a few months and found him to be a nice, respectful man who loved his family a lot. He was proud of all of you. I will remember you in prayers. God Bless you.
