From: Bernie L. Wade, PhD To: Bishop Sanford L. Wade & Jackie R. Wade Family Re: Homegoing of Evangelist Jackie R. Wade

Bishop Sanford L. Wade,

Praise Jesus! I address this letter to you on behalf of the Presbytery of International Circle of Faith – ICOF. We join you in honoring the life and ministry of Evangelist Jackie R. Wade. It has been a great honor of this august body (and me personally) to Ordain Evangelist Jackie R. Wade into the ministry and issue Ministerial License to her through ICOF. The charge given to Evangelist Jackie R. Wade at her Ordination was from Apostle Paul, “Preach the word; be instant in season, out of season; reprove, rebuke, exhort with all longsuffering and doctrine... But watch thou in all things, endure afflictions, do the work of an evangelist, make full proof of thy ministry.” Her Ordination was a small token compared to the ministry we received in return. We benefited by her dynamic ministry gifting and much, much more. It has been a great honor to have her minister in ICOF events and at Life Church. Sister Jackie’s unselfish contributions to Life Fest is unmeasurable. Every year, the ministry we receive the most comments about is Silent Praise & Evangelist Jackie R. Wade. To God be the Glory! On one hand we celebrate her Homegoing on the other hand we are bereft by her loss. On one hand it is an honor to write this letter, on the other it is a very hard letter to write. Heaven is richer but we are deeply impacted by her earthly departure. In her honor, we have declared January 27th 2020 Evangelist Jackie R. Wade Day! As you approach her day know with assurance that she rests along with the great Apostle Paul who said, For I am now ready to be offered, and the time of my departure is at hand. I have fought a good fight, I have finished my course, I have kept the faith: Henceforth there is laid up for me a crown of righteousness, which the Lord, the righteous judge, shall give me at that day: and not to me only, but unto all them also that love his appearing.

“ Jackie and I met in '93 at GE when she was sent to the foam line to do repair for 3 days. Afterward, she had found a job to suit her restrictions. It was on my way to the lunchroom. I would stop and chat with her a few minutes each time I went that way. Little did we know at that time that God would bring us together at the same church a few years later. We became close friends and even closer when she married Stanley Weston. As life would have it, Stanley went on to meet the Lord and later, she met Sanford and married and moved to Ky continuing the deaf ministry. She continued with a passion that surpasses anything humanly possible thru Jesus Christ because He set her on the path He wanted her to go on. Fly High my Dear Sister in Christ and may we see you again!!! You are sorely missed but we know you are where you have worked so hard to be.

Just hearing now from her daughter, Dee that Jackie has passed. My heart hurts to know she has left so many loved ones here on earth but smile thinking of how she will be singing praises in the angels choirs now in heaven. RIP dear friend.
