

James Bennett Doyne

September 18, 1929 - May 22, 2026

James Bennett Doyne 1929-2026

Uncle Jim was our favorite Uncle! We loved him and we knew he loved us!

Jim was born in Gary, Indiana and passed away in Bloomington, Indiana. Both places he called home.

After Jim's family, the piano took center stage. He began playing at age five and played until recently. When he was practicing it was a concert to anyone listening. We all attended many concerts!

Jim graduated from Horace Mann High School in Gary. His nickname was 88! Indiana University "schooled" Jim in Business and Music. Horace Mann and Indiana University were a huge part of his life. Both institutions served him well!

Jim served in the Army in the early 50's. He was stationed at Fort Lewis in Washington.

Jim was an avid car guy. He had tremendous knowledge about cars; he knew makes, models, engines and all things related to cars. Jim belonged to the Sports Car Club of America and did a bit of road rallying in one of his favorite

cars...a blue Alfa Romeo.

Uncle Jim will be greatly missed by his nieces and nephews from several generations. We were blessed to have him.

Jim would tell you he had a good life!
