“ I didn't know Jim well, but I do know that he loved his wife, daughter and dog. I used to walk my dog in Bryan Park and enjoyed seeing Jim and Mary walking Eddie when Sarah was working. He adored Eddie and admired my dog, Skye, as well. Skye & Eddie became "besties" after snarling at each other for a year when passing in the park. One day, they decided that they were wasting energy and decided that they could be good friends, much to our relief. Jim always had sweet words and a pat for Skye's head, while Eddie would enthusiastically bark his pleasure at seeing Skye. Skye left us about 15 months ago and Eddie very kindly paid her a home visit on her last day on this earth. I am so sorry to hear about Jim's death and send my deepest condolences to Mary and Sarah.
