“ I wanted to express my sorrow for your loss of Jay? We were very good friends when we were young. I believed you lived on Rogers st. My grandparents lived on hays drive. I don't remember if you were members of St. Charles , I was and we either met there or in the neighborhood. I always have thought of Jay often I had a big crush on him!

*So happy to see the pictures ,and that he had a good life.*

*Sincerely*
