“ I was saddened to hear of Jim's passing. Our parents were friends and Jim and my brother Rich were friends. Later in life, after losing my mom and his dad, our surviving parents married and we became step siblings. I will always remember his genuine smile and kindness. Rest in peace Jim.

“ I am so sad to hear this news about Jim. He was my step dad from age 6 until age 15. I'll always remember when I got my first job he took me for pizza at Noble Romans to celebrate. He loved his profession of salesman (selling insurance), his fancy cars (I'll always remember the old yellow Lincoln, I believe) and he loved his buddies, golf, football and the office lounge. I had recently searched his name to see if he was still living in Bloomington as he crossed my mind and then received the news from his daughter Kris this evening that he had passed. May he rest in peace and continue his love for golf with friends in heaven. My deepest sympathy to Kris, Mike and David and all those who loved him dearly.
