“ Tammy and Michelle:
I was so sad to read that Jamie had passed away. She was too young! My deepest sympathy on your loss!

I can remember her as the little girl in my day care that seemed so happy.

Hope both of you are doing OK. I have reached those golden years, that are not necessarily golden! I am now 74, live in my same house. Bill of course is gone, he died in 2007. Love you and you are in my prayers!
