“ I fell in love with Jamie from the first moment I saw him. Playing on the baseball field with my cousin Ryan Doyle. He had no idea who I was then, but 10 years later we met up at a party, he asked if I could give him a ride home - which I did, and the next 2 years of my life life with him him were amazing. He had the biggest heart, gave the best hugs and just all around made me feel loved. I can't find our senior prom picture, his mom had a copy on her kitchen wall for so many years. I can't say I have no regrets in my life, because I was an idiot for leaving him. I am so grateful he met a loving woman and that they had such a great life together.
