“ Dear Jack and family,

I could not believe when I opened the paper and saw Jane had passed.

I will always remember the great times we had on the boat in Louisville and the winery. Those memories will always be near and dear to my heart.

I know this is a hard time for all of you. But I want you to know how sorry I am and that she was a good person with a big heart who loved her family most of all.

Love and condolences,
