“ Janet was my second grade teacher. She came to our class of 63 50 year reunion She was blessed with good health and a sound mind. She was quite an anglophile and made many trips to England She had wonderful scrapbooks of her and Dave's many trips. She was a delight to visit and I will miss her.

“ I played with Janet when my family would visit with Leo and Nellie Schotter, my uncle and aunt. Janet had the same situation as I. Her next door neighbor's young'uns were all boys and my next door neighbor (Saltsgaver) had all boys (one of them I married). I always admired Janet for her friendliness and beautiful red hair.

“ I knew Janet through the Bloomington Delta Zeta Alumnae group. She had us over to her home many times. I will never forget her collection of British memorabilia. She was so proud of it! I loved her Christmas parties, too. She always had Christmas "crackers" as a little gift for all of us. She took photos and made scrapbooks to commemorate all of our events. I am so honored to have known her. She was a wonderful woman and Delta Zeta sister.
