“ I met Janice during the walk to Emmaus. She was a worker in our group. What a privilege to meet her.
She was a very nice lady. My sympathies to cat fish”

“ Janice was one amazing woman. A woman who loved and served Jesus with every breath she took. She never failed to make me and everyone else feel loved and included. She was like a grandma to me, always asked how I was doing and cared about my life. She always told me she loved me and always said she could see God working in my life. I will forever remember those kind words and continue to live for Jesus everyday, just like you did.
You were a light in this world Janice that will continue to shine even though you might not be here. You are finally home and a friend of mine once said "our worst case scenario is the best day of her life" and I truly believe that Thursday night was the greatest night of your life.
I can just picture God welcoming you at the gates of Heaven holding sweet Nellie-Bell in His arms saying "well done my good and faithful servant".
Love you always Janice, until we meet again <3
