“ Jason was a great friend of mine! For my bachelor party, instead of going out and getting wild him and another friend, Mike Bartlett and I, all went on a wild boar hunt, in Crossville, Tennessee. We had an absolutely amazing time. All of us got a wild boar and the host where we stayed prepared wonderful meals. This was the first time I really got to bond with Jason. I found out that he is a compassionate man with a hilarious personality and he was a great shot. I'm so glad that we had this opportunity to share this adventure together.
