“ Dear Jay and Debbie,

We are so sorry that you have lost your dad. He was a source of strength, guidance and love. As new grandparents ourselves, we know he must have been so delighted with his new grandbaby. So sad that their time together was so short. You are in our prayers.

“ So sorry to hear about Jason's passing. We have fond memories of our times together during baseball. He had a positive impact on so many kids over the years. His great attitude and outlook will be missed. I learned a lot about coaching baseball and working with kids during my time with him. We are unable to make it down for the service, but want you to know we are remembering him and thinking of you.

“ Very sad to learn of Jason's passing. Enjoyed talking baseball w/ Jason(especially the Reds), playing cards and fending off his sharp wit. I will miss him.

“ Although we played little league through RBBYS, Jason always welcomed us at tournaments and when our son played Babe Ruth. It was always a joy to talk to him, he will be missed. Our hearts and prayers go out to the family.

“ What a wonderful person Jason was! I worked with him while president of the Ellettsville league. He cared so much for the children of this community and district. He will be sadly missed.

My thoughts and prayers are with the family at this time.

Every time I step foot at the Winslow fields I will remember Jason. It will put a smile on my face just thinking about his silly jokes and great personality.
