“ Jean and I met when we were 12 years old and my love for her has been steadfast for over 60 years. She was my dearest friend. Jean was my shining example of how a kind, good, and loving wife, mother, daughter and friend thought and behaved. My life has been so enriched because she accepted me as her friend too. A beautiful soul has left us. May God fill her families minds and hearts with the joy of memories of being with her.

“ *Jim, I am so sorry for your loss. Jean was a wonderful lady. I only had the pleasure of speaking with her on the phone when I called to set up inspection appointments. However, she was always so courteous and sweet with me. May the good Lord watch over her and your entire family.*

My condolences, Tish Gonzalez

“ Jim and Jean are neighbors of ours and we appreciate them so. I remember when my mother died, I came home and went over to talk with Jean. She gave me encouragement and a shoulder to lean on. She was a special lady and I will miss her. Her family is blessed to had her in their lives and she left them a strength to draw on in times to come. My mom always said, "a loved one never goes away, they just go ahead ." Moms always give the best advice.
