“ Jeff was such a good person. Funny, fun to be around, always positive. I remember us all getting together - playing euchre all night, bowling with the babies in their car seats, and rockin' out at his moms house .... good times, never forgotten.

“ Jeff I remember when Chris and I were younger and dad was still alive and you and cousin Justin and cousin Brent used to come over and throw the football with us. You guys used to throw some real hail mary passes from one end of the street to the other end of the street. I remember when Bailey was born and we used to babysit him for you. You were taken from everyone too soon. Keep a close eye on your kiddos from up there. I know you are proud of each and every one of them.
