“ Dear Chellee and family, I am so very sorry to hear of your loss. I know how close your family is; I can't even imagine how difficult this must be. Chellee, I remember meeting your brother at the blood pressure clinic we did at the mall. He seemed so happy, kind, sweet, and fun-loving. I hope you can find strength and solace in remembering the good times you shared with him and knowing how close and loved your brother, son, and uncle was. May he live on in your hearts forever. All my best, Ellen

“ My heart goes out to all the family. Scott always spread laughter and joy wherever he went. And his heart was always in the right place. It should help ease our minds knowing that he will receive all that peace, love and joy in return. Scott with your sweet smile and your warm hugs I know that heaven will shine even brighter now with you in it. Miss you so much

“ Denny, Georgetta, Shelly,
I picked the paper up this morning and seen Scotty's name in a place that I'd wish I never had. I am at a loss of words to say other than I am so sorry for your loss of an awesome person. He and I had shared stories of life at work and he was always a joy to talk to and be around. My prayers go out to you folks!

“ Dear Denny, Georgetta and family

You are in my prayers and Jesus has his loving arms around you at this time.

Scottie had the sweetest smile and the prettiest hair. I am thankful as a family we had time together those years ago so I could see his smiling face.

I pray it gives some peace knowing that you will again see him some precious day and that little boy sweet smile he always had.
