“ I'm so very sorry to hear this news, some of my very first memories in this life was being with mom Helen and papaw Herbert mon -fri when (my parents, Bob and Joan) mom n dad would drop me off for mom Helen to babysit me starting about 6 months old, which went on about 5 years, I grew up calling Helen " mom Helen" and Herbert was " papaw Herbert" because they were a huge part of my daily life, Kelly was in and out of mom Helens house and I remember seeing Jerry and Roger sometimes, I know that mom and dad loved the whole Kinser family so much, and it just now hit me that with mom n dad having the go-kart track at thier Honda shop just down the street from mom Helens house, I bet Jerry and Roger got in on Karting there ! I'm so glad they were in my life, I'm so very sorry to hear this , God please comfort the family,

Our condolences to the Kinser family. Medley Wood Products Inc. appreciated
Jerry's hard work over the years to supply us with our lumber needs. Jerry always went above and beyond to make sure we had what we needed. We will miss his logging and racing stories. May God bless the family. Jimmy & Kay
