“ Mark, Gail and Luke, it is with an incredibly heavy heart that I am sending you my deepest and most heartfelt condolences. Just last week I was telling my kids a story about Jessica and Lightning swimming in Clear Creek down on Gore Road. She was an amazing individual with a very big heart and always had us laughing while galloping around the streets in Harrodsburg. I will always remember her giggling and running off on Lightning in an attempt to make it home before dark so that we would be allowed to go back out and ride again the following day.

Rest in peace Jessica!
