This was my mother. I am indeed Dathon Thacker her oldest blood child and as well her only son. My mother died when i was young. But the memories that i have had with her have never died and never will. I dont know the truth of what happened to my mother but i hope one day i will find out. I don't have a lot of family except my grandma and my sisters so whoever took my mother away from me shall pay. That's my words as i shall mark them.
