“ *My dad always made everyone feel like they were his favorites! He cherished and protected our mom and made us all feel just a little bit safer in his presence. Everyone loved him that knew him. It is hard to believe such a good, strong man is gone from this world. RIP Dad ! I know you are still looking over us from heaven! Karen & Pete*

“ *Grandpa will always be remembered as the quiet steady rock of the family. Anyone in need of a handyman called on Grandpa. He was caring and compassionate. He enjoyed spending time with family and almost as much twirling Grandma or Grandkids on the dance floor.*
