“ I met Joeann while working at Evergreen. She was a treasure and such a wonderful person. She painted me several rocks one which was cardinals and bluebirds. It was one of her favorite things to do until recently. A standing joke between us was me bringing her more rocks to paint. They had to be just the right size. I will treasure my memories of her coming down for dinner. You are very blessed to have her as your mom. Praying for your family!

“ Mrs. Like, I met her through a friend Mrs. Evelyn Stephenson at Evergreen and I tell you the greeting of her joyful eyes and smile every time I saw her was such a blessing. I know you could donate flowers but oh the blooming of flowers in her that she gave and will be missed. If I really think she was such a wonderful person then I know I will play it forward.
She made me feel the love and not just a greeting.
