“ Dear Vickie: Sorry for the loss of a wonderful child. I remember John with fondness as I shared time with him and my son Rob for all those elementary and middle school years. Tell his wife and children that there husband and father was a really super person and that God needed another super person in heaven so he called John. Best wishes.

“ You and your family are in our prayers. We only had the pleasure of knowing John for a few years when he worked at Matrix, but he was always a thoughtful person.

May God bless you all and hold his children close.

With Condolences,

John's former Matrix Integration Family.

“ Vicky and Bobbi,

I am very sorry and I hate that I wasn't here for you. I only heard about it from my daughter who visited. The resurrection holds hope for us all as we will all die unless Jehovah brings this system to an end sooner.
