“ Gerald, Harold and I send our love to you. Johnny was quite a guy. We were just talking about him last week. I asked how to get ahold of you-all. Terry, I have to smile when I remember your Dad and mine driving all the way to California in 1960 in that little Renault. Then we took them up the coast to Port Townsend to visit Uncle Charley White. We have such fond memories of our family visits. We should get together sometime. Give my love to your Mom. With love from your cousin, Marie
