He was one of my & Joe's very favorite people and often entertained us and our sons for hours with his humorous wit while visiting our home in Lake Mary. “ Nancy, Kelly, & Greg, I would like to tell you all how good a friend John was to me. I worked with him in many different jobs to include working with him at ABB in Lake Mary FL. We become very close friends during that year we spent at Florida. We had many meals together during that time. He was always there when I needed help from him. I know you all will miss him very much as I will also. Our prayers go out to you and the whole family. I am sorry I am not able to come to the funeral but I am in Seattle WA on business for ABB an can't make it home. I will keep in touch when I come home. Mine and Edna's condolences go out to you and the family.

“ To the Doan family, especially Greg:

I'm utterly sorry for your loss! My heart goes out to each of you during this trying time. Have faith knowing TWO things; we never 'really' leave as we live-on in so many things we touched during our short lives here - and - that time IS your friend, so embrace it. Although I disbelieve we ever really 'heal' from such a loss, I do know firsthand that time numbs the pain as it's the ONLY thing that has helped me cope with the sudden loss of my sister, aside from strong-family/friend support & overt faith in the afterlife.

May God keep you & comfort you throughout your mourning and beyond!

Keeping all of you in my thoughts & prayers!

Love,

“ Our thoughts and prayers are with you during this difficult time. We have so many great memories of John. He was such a good man. He always had time for the kids. When I worked at school he would come in Mrs. Lavender's class and visit with us. He was always a supporter of the athletes at school. Our son Clint was very fond of John. John told him one day if he went to J&J's he would buy him breakfast, he teased him about how much he could eat. May you find comfort in the fact that he touched so many lives and made those lives better because he touched them.
