“ Hanson family~

I was so sorry to learn of John's death. I knew John when he worked at the IU Career Development Center. I always enjoyed talking with him and appreciated his help when I was having computer problems. He was a sweet guy.

“ *Hanson Family,*

We are so sorry for your loss. Timothy and his family would like to thank you so very much for the contributions in care of the funeral home, which was given on Tim's behalf.

What a wonderful thing to do for our family in your time of sorrow. It brought tears to Tim's grandmother's (Karen) eyes when she read it in the paper. To think that you could even think of such a thing at this time in your life. What big hearts you all have.

Thank you so very much, it will be greatly appreciated.

*Sincerely,
Timothy and family*

“ Mike,
Ross called and told me of your terrible loss prior to it coming out in the newspaper. I am glad he did as I might have missed it. There are no words sufficient to say, except just know that as an old school friend, I want to let you know how sorry I am. Things like this are all wrong in so many ways. Hopefully after some time has passed your heart will let you remember all of the good things that you shared with John. My heartfelt sympathy to you and your family.

“ Dear Captain Hanson,

I was a member of IUPD while attending IU and served on the force as an officer in 1986-87. I remember working with you while doing my internship in the detective bureau. I have kept in touch with friends in Bloomington and when I heard of your tragic loss, I just had to send my most sincere condolences. I now have two children of my own and can not phathom the agony of losing a child and the suffering you must be enduring. You are such a kind man and my heart is breaking for you and your family. Please know that you touched so many lives in so many positive ways (I was only one of many). I will keep you close to my heart and send many prayers your way and wishing you a compassionate hug from afar. I hope in reaching out to you, you find some peace, and allow some of your sorrow to drift across the miles to my shoulders in hope to ease some of your pain.

With much friendship and peace,

Kathie

“ Mike, Colette, Ben, Joey and family. My heart was broken when I learned of the sudden, unexpected news of John. I can not begin to imagine the sorrow you all are feeling.

Even though we drifted apart, John always had and always will have a special place in my heart. When I look back at my childhood memories, John is always there.

Although words seem futile now in the midst of your sorrow, they are all I have to give you.

Wishing you peace and healing,

Cheyenne Terrell and family.
