“ Mary Ann - Diana and I were so sorry to hear of John's passing. You and John were great neighbors on the lake. I always enjoyed Boiler and my visits to your patio to chat about the events of the day.

We always listened to hear what saw or engine John was firing up. It might be the log splitter, lawn mower, or tractor. He had a great zest for life and the outdoors. We especially enjoyed the wildflowers.

We will miss him and please know our thoughts and prayers are with you and the family.

“ So sorry to hear of Johns passing. I have to smile when I think of John working in his wildflowers in front of their home on the lake. He gave us a book of Indiana wildflowers as a housewarming gift which I referred to often. We marveled at his zest for life, always outside doing something in the yard all day long most times. You could tell he loved what he was doing, the love of the land and Family. Your memories will keep you thru these sad times. God Bless your Family Rick and Linda Williams

“ As Sue Davis, I sat in many a classroom with John, lo these many years ago. We graduated from UHS in the same year. I can still see him, over there to my right a few rows away; was it Mr Thurston's class, or Miss Strom's? No matter. We shared the school experience and that of being IU faculty kids. I am so sorry he is gone, but he will always be in my memory, over there to my right at UHS.

“ The Seeber Family has meant so much to me the last few years. Each showing their own kindness. Mr. Seeber's visit to work always brought a smile to my face as he shared his stories. These times will always be remembered with warmth and kindness for the entire family. I wish you all to hold to the many memories you have shared with one another. These are what will keep you together as a family and bring rays of sunshine into each life. God Bless and keep you all. Love, Vera
